Case No.: A:04-cv-0049 (JWS)

**DECLARATION OF RACHEL
DAVIS IN SUPPORT OF REPLY
TO MOTION TO STRIKE
PLAINTIFFS' NEW EXPERT
REPORTS**

21 I, Rachel K. Davis, make my sworn declaration as follows:

22 1. I have personal knowledge of and am competent to testify to all
23 facts set forth in this declaration.

24 2. I am employed by Hartig Rhodes Hoge & Lekisch, PC as a
25 paralegal. Hartig Rhodes serves as counsel for Teck Cominco Alaska Incorporated
26 (Teck Cominco) in the above-captioned matter. I am familiar with this case and
27 disclosures made by Teck Cominco to the Plaintiffs.
28

3. Based on my review of Teck Cominco's disclosures provided to Plaintiffs, to the best of my knowledge Teck Cominco disclosed the lab reports relevant to the cyanide values for May 1999 through August 2003 in (1) its Initial Disclosures in the Kivalina Relocation v. Teck Cominco case on February 7, 2003; (2) its First Supplemental Disclosure in the Kivalina Relocation v. Teck Cominco case on March 7, 2003; (3) by reference in its Initial Disclosures in this case dated June 17, 2004; and (4) its discovery responses in this case dated October 22, 2004.

4. Based on my review of Teck Cominco's disclosures provided to Plaintiffs, to the best of my knowledge Teck Cominco disclosed the lab results relevant to the ceriodaphnia toxicity levels for May 2000 through October 2002 in (1) its Initial Disclosures in the Kivalina Relocation v. Teck Cominco case on February 7, 2003; and (2) its First Supplemental Disclosure in the Kivalina Relocation v. Teck Cominco case on March 7, 2003.

5. Based on my review of Teck Cominco's disclosures provided to Plaintiffs, to the best of my knowledge, Teck Cominco disclosed the lab reports relevant to the Outfall 001 TDS concentrations for May 1999 through August 2003 in (1) its Initial Disclosures in the Kivalina Relocation v. Teck Cominco case on February 7, 2003; (2) its First Supplemental Disclosure in the Kivalina Relocation v. Teck Cominco case on March 7, 2003; (3) by reference in its Initial Disclosures in this case dated June 17, 2004; and (4) its discovery responses in this case dated October 22, 2004.

6. I have prepared a list showing when the documents described in paragraphs four through six were produced to Plaintiffs. See Attachment A. I believe that it accurately reports the date of production for all the documents listed therein.

7. I have prepared a list showing when the Mine DMRs for (1) May, June, July, August, September, and October of 1999; (2) May, June, July, August, September, and October of 2000; (3) May, June, July, August, September, and

1 October of 2001; (4) May, June, July, August, September, and October of 2002; and
2 (5) May, June, July, and August of 2003 were produced to and/or were available to
3 Plaintiffs. See Attachment B. I believe that it accurately reports the date of
4 production and/or availability for all the DMRs listed therein.

5 8. I was on leave from Hartig Rhodes during the fall 2007, but returned
6 on December 10, 2007. Later in the month as I was preparing an index of Teck
7 Cominco's supplemental disclosures, I noticed that the copy shop, Professional Legal
8 Copy, to which Teck Cominco sent lab reports for May 2005 through September
9 2007, did not copy all the lab reports Hartig Rhodes sent them. On January 2, 2008, I
10 emailed Plaintiffs' counsel to advise him of this. See Attachment C, which is a true
11 and correct copy of my email to Plaintiffs' counsel on January 2, 2008.

12 9. The additional lab reports were produced to Plaintiffs on January 3,
13 2008. The January 3, 2008 disclosures included the following documents, bates
14 stamped TC 045887 RD – TC 050582 RD: (1) lab reports from May 2005 through
15 September 2007; and (2) updated financial statements. See Attachment D, which is a
16 true and correct copy of my letter to Plaintiffs' counsel on January 3, 2008.

17 10. January 15, 2008, Teck Cominco disclosed additional documents to
18 Plaintiffs. The disclosures made that date included Mine and Port DMRs for August
19 2007 to November 2007, bates stamped TC 050583 – TC 050881 RD.

20 11. January 16, 2008, Teck Cominco disclosed additional documents to
21 Plaintiffs. The disclosures made that date included Quarterly Safety, Health,
22 Environment & Community Reports for Red Dog Mine from the fourth quarter 2006
23 through the third quarter 2007, bates stamped TC 050882 RD – TC 050927 RD.

I declare under penalty of perjury that the foregoing is true and correct. Executed on this 29th day of February, 2008, at Anchorage, Alaska.

Rachel K. Davis

Mr. Cole,
I am in the process of reviewing documents to update Teck Cominco's response to RFP 179 regarding Teck Cominco's financial statements. Additionally, I reviewed the documents provided in our last supplemental disclosure and note that the copy company hired to process the voluminous materials did not copy all the lab reports available. I will be sending you those lab reports by Fed Ex today or tomorrow.
